Mount Ceder Genuine Kalamata Olives are hand picked at just the right time and traditionally cured to ensure their natural colour of deep aubergine is preserved.

The flesh of the olive is nice and firm and pulls away from the pip with ease to ensure a more satisfying eating experience.

We have two different pack sizes for the glass jars:

Pack Size	Nett Mass	Drained Mass
12 x 406 g	406 g	254 g
12 x 780 g	780 g	450 g
